TOPIC 1: GEOGRAPHY IN EVERYDAY LIFE

- Thinking Geographically
- Sustainable Development
- Geographical Methods
- What is the relationship between people and nature in their neighbourhoods?
- How are neighbourhoods organised in Singapore?
- How to build sustainable urban neighbourhoods?
- How to design fieldwork?

9

10

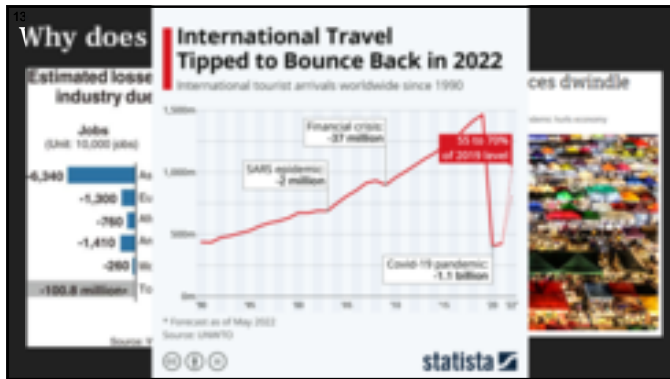

11

TOPIC 2: TOURISM

Topic 1:	Topic 2:	Tourism 3:
Tourism Activity	Tourism Development	Sustainable Tourism Development
E.g. What led to the growth of tourism?	E.g. How does tourism affect the economy and environment of a place?	E.g. How effective are the approaches in achieving sustainable tourism development?

12

13

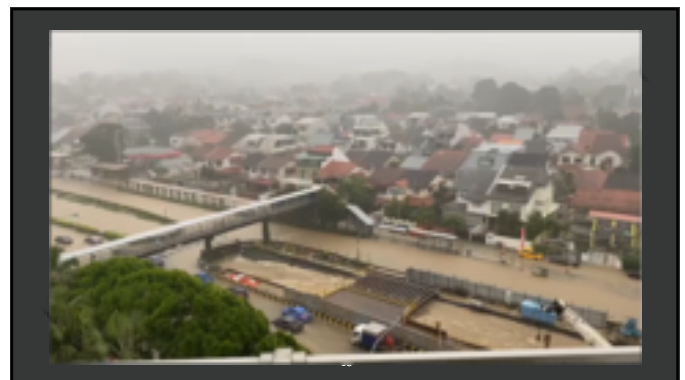

CONTENT CLUSTER 3: CLIMATE

<p>Topic 1: Weather and Climate</p> <p>E.g. Why do some countries have 4 seasons while Singapore only has one?</p>	<p>Topic 2: Climate Change</p> <p>E.g. What is enhanced greenhouse effect and what is climate change?</p>	<p>Topic 3: Climate Action</p> <p>E.g. How effective are adaptation strategies in building the community's resilience to climate change?</p>
---	--	---

14

15

16

17

TOPIC 4: PLATE TECTONICS

<p>Topic 1: Plate Tectonics</p> <p>E.g. Why do plates move? What happens if plates move in different directions?</p>	<p>Topic 2: Earthquakes and Volcanoes</p> <p>E.g. How might tectonic hazards affect the natural and human systems?</p>	<p>Topic 3: Disaster Risk Management</p> <p>E.g. How does disaster risk management help achieve sustainable development?</p>
---	---	---

18

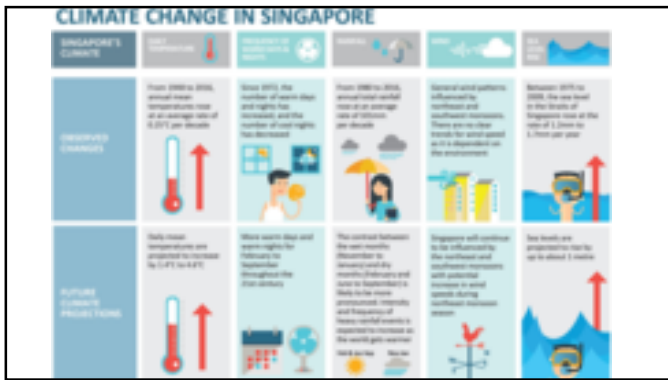

19

TOPIC 5: SINGAPORE

<p>Topic 1: Small Island City-State</p> <p>E.g. What are Singapore's vulnerabilities?</p>	<p>Topic 2: Opportunities and Challenges</p> <p>E.g. How might tourism, climate change, tectonic hazards affect Singapore?</p>	<p>Topic 3: Sustainable and Resilient Singapore</p> <p>E.g. Why is sustainable development important for Singapore?</p>

24

Samples of questions

- Use Fig. 1 to describe how humans influence climate change.
- Explain one way in which tourism may have an impact on a country.
- “The roles of different groups of people may conflict with one another in promoting tourism.” How far do you agree with this statement?
- “Loss of lives is the biggest disadvantage of living near volcanoes.” How far do you agree with this statement?

25

How does Geography help me?

- Better understanding of events at **local, regional** and **global scales**
- More **confidence** in explaining **observations**
- **Interconnections** between **human** and **physical** environment
- Useful **skills** – critical thinking, perspective taking, teamwork

26

What can I do with Upper Sec Geography?

- For those interested in **JC**:
 - ➔ Humanities considered for R1 of L1R5
 - ➔ JC Humanities Programme
 - ➔ Stepping stone for the understanding of Economics
- For those interested in **Polytechnic**:
 - ➔ Psychology
 - ➔ Social Sciences
 - ➔ Tourism and Hospitality
 - ➔ Banking & Finance
 - ➔ Business Management
 - ➔ Arts & Theatre Management
 - ➔ Mass Communications
 - ➔ Many others...

27

What careers are related to geography?

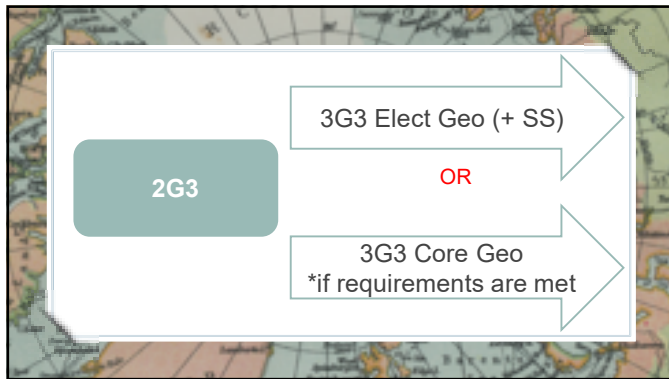

28

- *Urban planner*
- *Environmental Lawyer*
- *Environmental Engineer*
- *Meteorologist / Climatologist*
- *Emergency/Disaster planner*
- *Architect*
- *Human Resources*
- *Non-Government Organizations dealing with poverty, climate change, development*
- *National Parks Officer*
- *Journalist*
- *Social Media Marketing*
